After tonight, there are only two more SGA meetings left in the year! Let's make them count and accomplish all that we hoped we would. Now is not the time to take our eyes off of the prize! From here on out is when I start getting emotional and need to thank all of you for your continued hard work. Many thanks will come when the finish line is crossed. For now, we have many exciting things coming up! Spring is here, the warmth is coming, and we are getting things done. Continue to lead on, everyone!
