Marywood University was founded in the spirit of dedicated service characteristic of the Sisters, Servants of the Immaculate Heart of Mary. Marywood University "offers students a welcoming and supportive community that encourages men and women of all backgrounds to shape their lives as leaders in service to others." (Marywood Mission Statement)

The Maxis-Gillet Service Award was developed to provide assistance to full-time students who would like to continue their involvement with community service and to incorporate this work into their overall educational experience. The Maxis-Gillet Service Award furthers the mission of Marywood to educate "students to live responsibly in a diverse and interdependent world." Community service and outreach at Marywood are largely student-initiated and student-administered activities with opportunities for personal, spiritual and leadership development. Award recipients will be expected to engage in ongoing community service and to assume leadership roles in specified community service activities.
