GSC is here for you!

This past year, the GSC crafted a scholarship for graduate students only. The Graduate Student Council of Marywood University will fund seven \$1,000 scholarships for full-time students and six \$500 scholarships for part-time students. For this scholarship program, full-time scholarship recipients will be required to take at least nine credits per semester and part-time scholarship recipients will be required to take at least six credits per semester. For more information about requirements and how to apply, please visit: http://www.marywood.edu/grad_finaid/graduate-student-council-scholarships.html
The next application deadline should be sometime mid-February 2010.

Also, if you are involved in a Graduate Student organization and you need funds for an organizational activity, please contact us, we may be able to help. A form to request funds from the GSC is available on our website.

GSC is also awarding monies for conference travel. If you are planning on attending an educational conference in the 2009-2010 academic year check out our website to apply for funding!

GSC is planning a **one day wine tasting trip to Seneca Lake** for graduate students. This will be a **FREE** trip that will hopefully take place Friday December 18th. It will depend on availability. There is only space for 45 people and it is first come first serve. If you wish to attend, send us an e-mail at gsc@marywood.edu with "Wine Tour" in the subject line!

Graduate Appreciation

At the end of each semester, the GSC hosts three days dedicated to Graduate Appreciation! We know how hard you work all semester and we like to reward you with a little treat at the end. This year we will have tables set up in McGowan December 1st - 3rd (Tuesday, Wednesday, & Thursday) from 4 - 5:30. During this time you can stop buy for free food, free massages, free movie tickets to montage mountain and your chance to win a variety of other prizes! We will also have a table set up in the LAC on Saturday December 6th for any graduate students that take weekend classes! Please come out and join us and be rewarded for your hard work!

If there is something that you are interested in seeing us do that you believe graduate students would enjoy, please contact us and let us know! We are here for you!

Tell us what you think...

Is there an issue that is important to you? Is there something you would like to announce to the Marywood Graduate community. Is there information that you would like to see us address in this newsletter? Well if there is, send us an e-mail containing the information you would like us to share and we can print it in the next newsletter! This newsletter is printed for your benefit and all contributions are welcome. Send any contributions to gsc@marywood.edu. We hope to hear from you!

Marywood University, Scranton, Pennsylvania prepares students to have a positive impact on society at regional and global levels while providing each student with the foundation for success in an interdependent world. Marywood University is an independent, comprehensive, Catholic institution of more than 3,000 students, committed to the integration of liberal arts and professional studies in the context of ethical and religious values. Founded by the Congregation of the Sisters, Servants of the Immaculate Heart of Mary in 1915, Marywood offers a wide variety of undergraduate, graduate, Ph. D. and continuing education programs designed to place men and women of all backgrounds and ages at the forefront of service, knowledge, and technology.
