

Diversity Standard Committee Meeting  
February 4, 2013  
at 3pm in the Faculty Lounge

Where are we? How close are we to target?

Checklist – categories to document experience with diversity

All types of diversity –

- Experiences working with diversity
- Students
- Faculty
- Staff

Tracked by students

Standard 4D

- A diversity check list that students complete
- Students could complete in their field
- Trial test in March

Jen's suggestion

- List of diversity experiences and students
- Not sure what it would look like
- Just so we know that it is happening

As an Education Department

This committee is designing a diversity checklist

Take one element of the standard as we meet (get the Diversity Handout previously given to each committee member)

A-D

4D Checklist

Diversity Interaction Map/Experience

Define diversity

Jen's going to get Ellen Burkhouse's example to review before we email to committee.

Pilot in the next few months

Possible Research Project

\*Meet before Spring Break

- 1<sup>st</sup> week of March

Where are we on the target (close to? Far from?)

We (Tammy does not) don't think we were close.
