Housing & Residence Life

Some call living on campus "the total college experience."

We agree.

Residence Life Mission

The mission of Housing and Residence Life is to provide a safe, conducive living and learning environment that supports students' academic and personal development goals, while intentionally fostering a sense of community, civic responsibility, and an appreciation for diversity.

Who lives on campus?

All unmarried, full-time students are required to reside in University housing during their first two years of enrollment unless they are at least 21 years of age, and/or are living with their parent/guardians in their primary family homes that are within a 50 mile radius of the University's campus.

What is an RD?

A Residence Director is a full-time, live-in graduate student enrolled in a Marywood Master's or Doctoral degree program. The RD supervises a Resident Assistant staff (RA), receives training in human development and has office hours posted on his or her office door. There is always an RD on-call 24 hours a day, 7 days a week in case of emergency.

We have four RDs who oversee the Loughran, Regina, Madonna, and Woodlands staffs.

RD Office Extensions

Loughran: x2479

Regina: x4557

Madonna: x2151

Woodland Residences: x2457

What is an RA?

A Resident Assistant is an undergraduate or graduate student selected on the basis of leadership ability, communication skills, interpersonal relationship skills and an expressed interest in developing a sense of community among residents. RAs act as a resource for students as well as a contact for roommate issues, mediations, policy enforcement, and questions concerning campus life. A minimum of one RA per staff are on duty every night in order to insure the safety of the resident students.

Office of Housing & Residence Life (HRL)

The office is overseen by the Director and Assistant Director. The Administrative Assistant, Residence Directors, and Resident Assistants also play a vital role in the office environment.
