## Compass Circle Program

We are starting to take reservations for the next Compass Circle Group scheduled for February 2023. Compass provides the opportunity for our Advancement clients to consider all aspects of adopting a CRM solution in order to help prepare for the upgrade to SaaS. You will gain new tools to take back to your Advancement team in assessing your institution's needs and planning your path to success in upgrading to a CRM. Compass is a free, a month-long engagement consisting of three sessions. Email [signupforcompass@ellucian.com](mailto:signupforcompass@ellucian.com) to reserve your spot in a circle!

“

We chose Ellucian because of their expertise and focus on higher education, their evolving technology stack that showed strategic promise, and their strong presentation to our selection committee, which demonstrated a commitment to partnership that we appreciated. I have since appreciated how Ellucian has shown an effective balance between implementing progressive solutions and supporting legacy clients well. It can be a tricky balance to achieve.”
