Check Requisition Form Instructions

Check Requisitions are to be used only for travel advances, subscriptions and membership renewals and a limited number of special purchase situations authorized by the Accounts Payable Department or Fiscal Services prior to the purchase being made. Proper back-up documentation, i.e. renewal forms, applications or invoices, should be attached to the check requisition. Any check requisition without proper back up attached could delay the processing. Requests for travel advances do not need back-up documentation till after the trip is over.

PURCHASES MADE BY INDIVIDUALS AND SUBMITTED TO THE PURCHASING OR ACCOUNTS PAYABLE OFFICE (WITHOUT PRIOR APPROVAL) WITH A CHECK REQUISITION WILL NOT BE HONORED FOR PAYMENT.

Ordinarily, it can take up to a week for a check to be issued. If a check is needed as soon as possible, the requisition needs to be hand delivered to the Accounts Payable Assistant with a verbal request for the check to be issued ASAP. At that time the requester will be informed of when the check can be issued. Just marking "rush" or "needed by a date" is not sufficient for rush processing.
