

Current Pacer Parent's Guide: *Billing and Payments*

Marywood University's primary source of communication regarding billing and payments is through the student's Marywood email account. Students can grant access for parents/guardians to view their billing invoice/statements. Parents/guardians will receive their own Marywood login ID and password.

- » Students will log in to their account in **MarywoodYou**.
- » On the main Self-Service page, click our user name and go to View/Add Proxy Access
- » Complete the setup.

In order to pay the student's bill in our TouchNet online payment system, or set up a payment plan, the student can enroll the parent/guardian as an Authorized payer.

- » Students will log in to their account in **MarywoodYou**.
- » On the main Self-Service page, click on Student Finance, then Make a Payment, and Continue to Payment Center.
- » Students will login to the Payment Center.
- » On the right sidebar click on Authorized User.
- » Complete the setup.
